

THE LOST CHILDREN OF BABYLON – DUEL OF THE FATES LYRICS

[rasul allah 7]

"i was consumed within the womb of queen amidala, incaged within the genes of medicloarians. anakin skywalker that incarnated into luke skywalker force field, within mandalorian armour, possessed by the curses of karma, you receive the consequence of stigmata, crucified & then baptised by water, fire & the holy spirit, quenched by the blood of the cosmic christ, illuminated by the ultraviolet-green lights, the anonymous ones, synonymous with triple stages of darkness. look into the eyes of a dark jedi, the death-star, r-sul allah, born within the dark side from a force that evolved from the opposite end of the universe, from a galaxy that evolved seventy & six trillions eons ago."

[cosmic crusader]

"in the arena of a universe, shiva versus blasphemours, half believers meet the lions in the roman amphitheatre. scimitar cuts the pentacle of allah, to form six points, yoda rests with the kaballah. my seven star merkaba, body of light, degrees of substance unite to defeat the ——. the millenium falcon of horus' chorus recites upon the eight state, in the bosom of yahua eloh i await to meditate. with the baphtist drawn in obi-wan, before the dual of the fates crash the gates of zion, saint peter wrestle with paul. saul in darth maul pylon, anubis swing the djet pillar, cast him off the pylon. anakin panic until the sabre slash the python, neptune's triton release divine breath, rejuvenate the nodes of electric consciousness, the infinite boundless, bottomless, endless..."

"true & livin sibling of the egyptians, we manifest from ramses to anubis, fall back in karnak, the starmap opens, from the ocean of nun, blooms atun at high noon, from some to nothing, who's monotheistic like ankhenaten? winged deity see'ing me as a same, so the name i claim is neter, (that's right) priests of ahn whisper that word in my left ear, i take it as sacred, mummy resurrects from the tomb as lazarus, let's establish this, image of horus as jesus of nazareth, the egypt he was travellin in, isis really mary of magdalene. i confront you, the holy ghost is symbolic of khonsu. take a second look at the heka khasewet, they was really crooks, they stole the way of life, said they was living in the day of christ, time to correct cause christ is really karast, tamare is really khemet. it's the secrets that's best kept, the lion of judah is really sekhmet, pick up your cross & follow me to the teachings of egyptology, knowledge from amenhotep to pto-lamy which was probably lost in the holocaust..."

[ancient khemet]

"if not the sabre then with the ——, played it in two, we can do it like darth vader & luke, spark lasers straighter at you... too late, delay will leave you lying like a labour of doom. so don't place foot in the cave where i rule, i'll slay you like a dragon, i'm fatal & cruel. savage like i'm let out of cages, & rip off your —— like i rip out my pages."

"& open up celestial windows like mace windu while practicing yoga with jedi master yoda, on the watery planet of komino where i confronted count dooku, on a rugged kind of desert plane-

tary sand dunes of geonosis, like the great battle of geonosis, i focus the power of the force like obi-wan kan0bi, the dual of jengo fett, the dual of the sith. the attack of the clones & revenge of boba fett, the shroud of the dark side has fallen to reveal the dark lords of the sith..."
